Residential Audit Program Tariff – BMP 3.1

PURPOSE:

The Company will promote water conservation by providing residential customers with information on performing water audits to determine conservation opportunities at their residence (Modified Non-Per Capita Conservation Program BMP Category 3: Outreach Services 3.1: Residential Audit Program).

REQUIREMENTS:

The requirements of this tariff are governed by Rules of the Arizona Corporation Commission and were adapted from the Arizona Department of Water Resources' Required Public Education Program and Best Management Practices in the Modified Non-Per Capita Conservation Program.

1. The Company will offer self-audit information.
2. Upon customer request, the Company or designated representative will provide residential customers with a self-audit kit.
3. The kit will include detailed instructions and tools for completing the water audit including information on how to check their water meter. The audit kit will include information on checking the following components: irrigation system, pool, water features, toilets, faucets and shower.
4. If requested, the Company will assist the customer in a self-water audit and assist the customer in determining what might be causing high water usage as well as supply the customer with information regarding water conservation and landscape watering guidelines. As part of the water audit, and if requested to do so by the customer, the Company will confirm the accuracy of the customer meter (applicable meter testing fees will apply).
5. The Company will keep a record of the following information and make it available to the Commission upon request.
 - a. A description of the water conservation material provided in the kit.
 - b. The number of kits provided to customers.
 - c. Implementation costs of the Residential Audit Program.
