

WATER UTILITY FIELD SERVICE TECHNICIAN I – BISBEE

Arizona Water Company, an investor-owned utility is currently seeking an individual to work as a Field Service Technician I in its Bisbee system. This is an entry level position with opportunities for future advancement for candidates residing in the Bisbee or Sierra Vista area.

Responsible for a variety of tasks and duties, which may include, but would not be limited to, the following:

- Read meters regularly according to schedule. Record reading for ALL meters on a handheld meter reading device (HMRD) or on read sheets for the proper account.
- Refer customer complaints or questions to local office when reader cannot answer promptly/correctly. Note unusual conditions by entering appropriate codes on HMRD; such as high/low reads; stopped, damaged or meters in need of repair; leaks observed and courtesy turn offs performed; meters which are found running and with high consumption; stolen meters; broken angle stops; etc.
- Prepare written report after downloading HMRD or if the situation warrants, report unusual condition immediately to the Division office.
- Track dwelling types and numbers of units at facilities with master meters for the purpose of maintaining accurate counts by dwelling type for the Arizona Department of Water Resources.
- Change all types and sizes of meters.
- Field Service Technician I may be assigned to other duties.

Required education, training, and experience:

- Must be a high school graduate with strong mechanical/pipefitting/construction aptitude.
- Must have a valid Arizona driver's license with an acceptable driving record.
- Must be physically able to work outside in all weather conditions, walk, bend, kneel, dig and lift.

The Company offers a competitive wage and benefit package, including company-paid medical, vision, dental, holidays and vacation, sick leave, and 401(k).
