

ARIZONA WATER COMPANY

UTILITY WORK I

Arizona Water Company, a private utility serving customers throughout Arizona, is seeking a Utility Worker I to join its Cochise Division in Bisbee, Arizona.

This is an entry-level position. Under general direction and supervision from Utility Worker III and Utility Worker IV. Will assist with the general maintenance of the water distribution system including, but not limited to, meter changeouts, water main and water service repair/replacement, and water storage tank maintenance. Works independently on general property maintenance (painting, cleaning, sorting, etc.), customer notifications, 1-inch and smaller meter changeouts, and other work not requiring continuing direction or supervision. Performs other duties as assigned or as directed by supervisors.

Required skills, knowledge and physical ability include, but are not limited to:

- Hand tools, power tools, compaction and other equipment related to water distribution system maintenance may be used.
- May operate a company vehicle.
- Must be physically able to perform job duties that may require walking, bending, kneeling, digging and lifting items of at least seventy-five (75) pounds in weight.

Required education, certification or licensing, training and experience:

- High School Diploma with strong mechanical/pipefitting/construction aptitude.
- Pipefitting or construction experience preferred, but not required.
- Valid Arizona driver's license and acceptable driving record.

The Company offers a competitive wage and benefit package, including company-paid medical, vision, dental, holidays and vacation, and 401(k).

Send detailed resume and employment application to awc-hr@azwater.com.
