

ARIZONA WATER COMPANY

Utility Worker I/II

Arizona Water Company, an investor-owned public utility, is seeking a Utility Worker I/Utility Worker II in our Casa Grande office.

Under the supervision of the Division Manager, Operations Superintendent, Foreman and Utility Worker ("UW") III and UW IV, the UW I must demonstrate a proficiency in communicating with the general public, Company employees, supervisors, and others. The UW I must demonstrate the ability to prepare legible, clear, concise, and complete written reports, map postings, changing meters, and assisting UW III and UW IV employees. The UW I must be able to work outdoors in all occasions. The UW II must understand and communicate information related to customer service, maintain proper conduct, and present a positive image of the Company. Be available to work overtime in emergency as well as planned job assignments.

Responsible for a variety of tasks and duties, which may include, but would not be limited to, the following:

- This is an entry-level position.
- Under general direction and supervision from UW III and UW IV.
- Will assist with the general maintenance of the water distribution system including, but not limited to, meter change-outs, water main and water service repair/replacement, and water storage tank maintenance.
- Works independently on general property maintenance (painting, cleaning, sorting, etc.), customer notifications, 1-inch and smaller meter change-outs, and other work not requiring continuing direction or supervision.
- Performs other duties as assigned or as directed by supervisors.

Required skills, knowledge, and physical requirements:

- Hand tools, power tools, compaction and other equipment related to water distribution system maintenance may be used.
- May operate a Company vehicle.
- Must be physically able to perform job duties that may require walking, bending, kneeling, digging, and lifting items of at least seventy-five (75) pounds in weight.
- Must be able to work outside in all types of weather.

Required education, training, and experience:

- Must be a high school graduate with strong mechanical/pipefitting/construction aptitude.
- Pipefitting or construction experience preferred, but not required.
- Must have a valid, appropriate Arizona driver's license with an acceptable driving record.

The company offers a competitive wage and benefit package, including company paid medical, vision, dental, holidays, vacation, and 401(k).
