

Arizona Water Company Free Conservation Kit Program

Arizona Water Company is pleased to offer individually metered residential customers the opportunity to receive a free home water conservation kit. These kits are available across all Arizona Water Company service areas. The kit contains the following items that help conserve water both indoors and outdoors:

- EPA WaterSense® labeled low flow showerhead
- EPA WaterSense® bathroom faucet aerator
- Toilet flapper
- Toilet leak detection tablets
- Toilet tank bank
- Plumber's tape
- Five drip emitters
- Ten goof plugs
- One drip punch tool

Additional information about the contents of the kit can be found by scanning this QR code or by visiting:

[https://www.azwater.com/conservation/water-conservation-kit/files/Conservation Kit Quick Guide.pdf](https://www.azwater.com/conservation/water-conservation-kit/files/Conservation%20Kit%20Quick%20Guide.pdf)

This program is limited to one kit per household while supplies last. The program goal is to further the strong culture of water conservation in all Arizona Water Company's service areas by heightening customers' ability to be water-wise through the water-saving devices found in each kit.
