

Drinking Water Notice – August 19, 2024

UPDATE ABOUT YOUR DRINKING WATER

FROM ARIZONA WATER COMPANY

**Pinal Valley (AZ0411009)**

Arizona Water Company crews have been monitoring the intersection of Trekell Road and Kortsen Road where the planned system upgrades were completed on August 17, 2024. Unfortunately, we have identified a leak that needs immediate attention which will require an immediate shut-down, August 19, 2024. This work had been scheduled for 9:00 PM on Tuesday August 20, 2024, but conditions now require us to complete those repairs as soon as possible. We anticipate this work to last for up to six hours and there will be close to 450 customers impacted by this outage.

Should you have any questions or concerns, please call (520) 836-8785, press option 1.
