

# Drinking Water Notice – August 20, 2024

## UPDATE ABOUT YOUR DRINKING WATER

### FROM ARIZONA WATER COMPANY

You were previously notified on Saturday, August 17 of a shutdown to your service for water system improvements on the water main supplying your area. That work was completed on Sunday, August 18, but additional work is required to complete this project, which will result in an additional water outage in your area. Arizona Water Company crews will be completing this additional work tonight at the intersection of Trekell Road and Kortsen Road. This will start at 9:00 PM on August 20, 2024, and is anticipated to take six hours to complete. During this process, approximately 450 customers will be impacted.

If you need water during this outage, water will be available at the Casa Grande Fire Station 504 at 1637 W. McCartney Road, Casa Grande, Arizona, 85122 (near the intersection of Peart and McCartney).

Should you have any questions or concerns, please call (520) 836-8785, press option 1.
